Member Profile Information

The Rocky Mountain Wa Shonaji Quilt Guild is a statewide organization, representing the interest in quilt-making and fiber arts from an African-American perspective. We work to promote the work and accomplishments of our members and to preserve the tradition, culture and history of quilting. The members, though predominately of African-American ancestry, celebrate ethnic diversity in membership. The guild offers speakers, workshops, quilt shows, and a newsletter. It takes many members chairing or serving on the committees to keep this guild growing and serving the community. We encourage you to share your talents. **Please indicate the areas you would like to serve.**
